Come meet us!

Do you want land or water activities? A beach day and relaxation, a nature break or walks? Visiting exceptional sites or living exotic experiences?

We are here to guide you!

Our team is trained and knows the riches of the resort and the identity of the region, we will be able to help you.

By committing for many years to obtaining quality awards and marks, Saint-Cyprien wishes to offer its inhabitants and visitors quality services accessible to all.

Make way for conviviality!

This summer season 2022 promises to be full of (good) surprises. For our greatest pleasure to all, our resort is preparing to (re)live a lively summer, punctuated with festivities. Health caution remains of course, but conviviality is back again. The beach, the port, water sports and outdoor sports, cultural and gourmet pleasure breaks... have finally returned to the forefront of the Cypriannaise scene. Not to mention our magnificent Jardin des Plantes, where new events will take place: open-air cinema, musical relaxation, concerts, children's stories, etc.

This little guide has been designed to give you a taste of the activities offered in our resort. To discover and practice without moderation!

Make the most of it, by granting yourself a few escapades in our magnificent hinterland. Have an excellent stay in Saint-Cyprien!

Thierry Del Poso,

Mayor of Saint-Cyprien
President de la Communauté de communes Sud Roussillon
Regional Counsellor

Beaches, port and beach clubs

◦ The port of Saint-Cyprien / Harbour Master

Awarded the European Blue Flag since 1991, a distinction won and valued by pleasure ports following strict criteria in the overall management of their environment in water management (sanitation and quality of bathing water), waste management, general environmental issues (urban, natural spaces, beach facilities and safety). Many professionals related to the yachting sector are located in the port technical zone and are available to assist pleasure sailors. Awarded 5 year Qualité Plaisance in 2019 (the mark is awarded by FFPP). Certified Clean Port by AFNOR in 2021, the port has opened a clean point reserved for boaters for all special yachting waste.

A reception open non-stop out of season or in season, a team of bosuns at the service of users, an efficient communication tool, a facebook page and a site that promote the port and its assets.

 | **Parks and Garden****o Jardin des Plantes des Capellans (Botanic Gardens)**

ocated in the south-east of the town, in the Capellans district, the Jardin des Plantes de Saint-Cyprien covers 5 hectares. Designed as a green setting, with the help of the eminent naturalist-botanist Charles Naudin (1815-1899), this English-style garden brings together, around two bodies of water, more than 500 species from all over the world, including a remarkable bamboo grove, a magnificent collection of old roses and rare species such as Phoenix sylvestris, catalpa, black walnuts and honey locusts... Theatre, summer, numerous activities, exciting guided tours led by Valérie Joulin, expert in botany, exhibitions, concerts of classical, jazz or rock music, stories for children, Zen activities and yoga classes, etc., this magnificent site attracts more than 88,000 visitors a year.

The gardens are open every day except Mondays from 1 October to 31 March.

- November, December, January and February: 13:30 to 17:00
- March, April and October: 13:30 to 18:00

◦ On your smartphones for a photo hunt!

Three treasure hunts, a kind of mini-treasure hunt to be carried out via your smartphone, have just been launched in Saint-Cyprien. To access it, all you have to do is download the Saint-Cyprien adventure application and then let yourself be guided. These games consist of identifying the places where certain photos were taken and then **going there to validate their geolocation** near the location. The faster, the better. Three courses are offered, two in the Jardin des Plantes, one in Parc de la Prade. A great way to experience these great sites in a very enjoyable way, at any age.

Between light and shade : immersion into the heart of an important natural site

The Grotte des Grandes Canalettes is a private family site. It is located at the foot of the Canigou Massif, 300 meters from the medieval city fortified by Vauban: Villefranche-de-Conflent, listed as a UNESCO World Heritage Site.

“Let yourself be guided by an extreme feeling of freedom. A Journey to the depths of the Earth that will not leave you indifferent”.

Visit the cave independently: guided tour on your smartphone at your own pace and in your language. Permanent Sound & Light attraction at the Temple of Angkor.

From 01/04 to 31/09 : 10:00 to 17:00 last entry. From 01/10 to the end of Halloween holidays 11:00 to 16:00 last entry. Other periods : private tours for groups by reservation.

o La Vallée des Tortues is situated in Sorède

In the heart of the Albères, a few minutes from Perpignan, la Vallée des Tortues invites you for close-up encounters and immersion in the outdoors.

Discover the fascinating world of tortoises: giant, alligator, mediterranean, soft shell... each has their own thing to beat the hare ! This park also holds other wild animals: meerkats, armadillos, snakes, marmosets...

Every day the park holds free and unmissable events:* feeding tortoises, meerkats or marmosets, meeting snakes, wild tales and legends...

Also a walk in the forest, a relaxation space, quiz and playground. Snacks and a picnic area in the park. Your dog is also welcome ! The park also welcomes you for birthdays and "caring handlers" visits.
